Automation & Sintering Solutions

Proud Partners with Infotech Automation & AMX Automatrix

INFOTECH
automation

AMX
AUTOMATRIX

MICRO-ASSEMBLY | PACKAGING | DISPENSING | TESTING & INSPECTION...

- Extremely High Accuracy & Precision
- Extensive Machine Peripheral Options
- Numerous Material Handling Options
- Small and Large Component Handling

DESKTOP PLATFORMS | PRODUCTION CELLS | PRODUCTION LINES...

- Multi-Functionality Systems
- Highly Customizable Hardware & Software
- Full Process Control & Traceability
- Robust & Precision Machined Components

MULTI-PUNCH SINTERING SYSTEMS | ADAPTIVE HEIGHT CONTROL

- High Force Die Attach Sintering Presses
- Patented Adaptive Height Control
- In-Line Sintering & Quality Control Solutions
- Low Maintenance & Fast Changeover
